Camp Stoney is going Hollywood

Well, we asked God to find ways that we could rent the camp on the off season, and He is answering our prayers. At the end of March, Luminaria Films will begin shooting a movie at Camp Stoney. They are renting the camp and the lodge for one day, featuring the gate to the ropes course, and some pinon trees near the dirt road. For updates, go to our website: www.campstoney.org

Prayer & Praise:

- We thank God for our wonderful facilities; pray that our preparations for summer go smoothly—particularly preparation of the swimming pool.
- We thank God for the volunteers working on the bathroom installation; pray that they will be able to finish before the start of camp.
- We thank God for the registrations that have come in; pray that our efforts to promote our summer camp programs will attract even more children and youth than last year!
- We thank God for the volunteers who are working on curriculum; Pray that the teams working on "Compass," "Narnia", and "Harry Potter" and our regular curriculum "Listen God is Speaking" will be led by the Holy Spirit in their preparations.
- We thank God for the all the counselors that have served at Camp Stoney over the years; pray that as college students begin to make their summer plans, that they will be called to ministry at Camp Stoney this year.
- We thank God for those who have already agreed to serve; pray that more nurses and doctors will feel called to volunteer.
- We thank God that we have signed a contract with the Arthritis Foundation for children who suffer with arthritis; please pray that as we prepare our counselors to care for these children, that the message of God's love will through.
